

CERTIFICATE OF UTILIZATION

This is to certify that the system TESDA Trainers Registry System with Digital Notification developed by Anna Bonna B. Ojel and Levi A. Corvera of Master in Information Technology, Graduate School, Surigao del Norte State University, Philippines, has been successfully deployed and utilized at TESDA Surigao del Norte Provincial Office.

The system has been evaluated, reviewed and certified for utilization starting June 23, 2025. This was developed to enhance the provincial office's capacity to manage registration records, generate timely reports, and send automated notifications to trainers regarding important deadlines such as National TVET Trainer Certificate expirations.

We acknowledge the efforts involved in the implementation and are confident that the system will digitally streamline and manage the registration, tracking, and monitoring of registered trainers of TESDA in the province.

Issued this 23rd day of June 2025 at the TESDA Surigao del Norte Provincial Office, Surigao City, Philippines.
